### **DECLARATION OF SOLIDARITY WITH THE BRAZILIAN PEOPLE**

LVC's 7th International Conference condemns the increasing criminalization and repression being imposed on the Brazilian people by a de-facto government in Brasilia. While Brazil's popular movements have a long history of struggle and sacrifice, the killing of 65 comrades since the 2016 coup – and the jailing of many more – confirms the violent intent of capital and its right-wing forces. LVC stands in solidarity with the Brazilian people and defends their right to struggle for democracy without criminalization and repression...

## BRAZIL-SURAMERICA

### **DECLARATION OF SOLIDARITY WITH THE QUILOMBOLAS OF BRAZIL**

LVC's 7th International Conference denounces the ongoing violation of the rights of quilombola (afro-descendent) communities by the Brazilian State. We support the over 5,000 quilombola communities that continue to resist the onslaught of capital and neo-colonialism, demanding the respect for their rights. For the right to have our territories recognized!
