

Report on the Attacks of the Occupation Army and Settlers on Palestinian Agricultural Sector in the West Bank and Gaza Strip

October 2020

The attacks of the occupation army and settlers during October, which coincides with the commencement of the olive harvest season in the Palestinian territories, led to burning, uprooting and destruction of more than 1,600 olive trees, in addition to confiscation and expulsion of shepherds from their lands. October also recorded dozens of shootings at fishermen and agricultural lands in the Gaza Strip. In this report, the agricultural committees monitored attacks committed in October.

Military Orders, Confiscations and Demolition of Facilities

Confiscation of a Bulldozer in Furush Beit Dajan / Nablus.

- On 5/10/2020, Israeli occupation forces confiscated a bulldozer while it was digging a water reservoir for irrigation of crops in the village of Furush Beit Dajan in the Nablus District.
- On 8/10/2020, Israeli occupation forces confiscated a tractor and a 4 Cubic Meters water tanker it was pulling, in the Al-Jiftlik area, north of Jericho.
- On 8/10/2020, the occupation forces confiscated a bulldozer that was working on rehabilitating an agricultural road in the village of Ain Al-Baida in the northern Jordan Valley.

- On 10/13/2020, Israeli occupation forces confiscated a bulldozer in the municipality of Al-Zawiya, west of Salfit, detained its driver, while working to facilitate a dirt road, to allow citizens to reach their lands to pick the olive harvest, and released him at approximately 11:30 pm.
- On 13/10/2020, Israeli occupation authorities issued a notification to stop construction four agricultural rooms in the town of Al-Khader, south of Bethlehem, under the pretext that the builders do not have construction permits.
- On 15/10/2020, Israeli occupation forces stormed the village of Al-Hama, in the northern Jordan Valley, southeast of Tubas District, in the northern West Bank. They confiscated a bulldozer and a truck, which were parked beside a road that was being rehabilitated on an agricultural road for the aforementioned village.
- On 18/10/2020, the occupation forces demolished four facilities in the Al-Fakhit area, east of Yatta / Hebron. Those included a 20 m² tent, used as a fodder store, a 2.30 m² residential room made of bricks and insulated tin, a 130 m² cabin made of rocks and tin sheets housing 100 heads of cattle, an 80 m² pen made of a tent and rocks.
- On 19/10/2020, Israeli settlers set up a livestock shed outside the "Maskiot" settlement, south of Ein El-Hilweh, in the Jordan Valley, which means that they are controlling more lands.
- On 20/10/2020, Israeli occupation forces, accompanied by a military bulldozer, moved into Qalqilya. They demolished a 500 m² vegetable stall (*Basta*), which consisted of a greenhouse and a stone floor.

Uprooting Trees and Leveling of Lands

Cutting down 300 olive trees in Al Jab'a / Bethlehem.

- On 4/10/2020, ten (10) olive trees were uprooted in Kafr El-Deek village, west of Salfit.
- On 5/10/2020, settlers uprooted about 12 olive trees in the town of Kafr al-Dik, west of Salfit.
- On 7/10/2020, settlers from "Leshem" settlement, which is built on citizens' lands in the town of Deir Ballut, west of Salfit, set fire to 50 olive trees.
- On 7/10/2020, forty (40) olive trees were destroyed in Qawais, east of Yatta, in the Hebron District.
- On 7/10/2020, thirty (30) olive trees were burnt down by firing of tear gas canisters at demonstrators in the village of Burqa / Ramallah, during clashes that erupted after settlers attacked farmers while picking olives.
- On 7/10/2020, 450 olive trees in Ya`bad were burnt down by settlers from "Mevo Dotan" settlement.
- On 9/10/2020, hundreds of trees were burnt down behind the wall in the village of Safa / Ramallah.
- On 12/10/2020, a group of settlers from "Ait Ephraim" settlement, which is built on citizens' lands belonging to Masha village, west of Salfit, stole the crop of six olive trees, and broke branches of about 60 olive trees on an area of 120 dunums, in the area of Wara'a al-Humus, located behind the Annexation Wall, in the aforementioned village.
- On 14/10/2020, settlers uprooted 300 olive trees in the lands of Al Jab'a village, west of Bethlehem.
- On 17/10/2020, settlers crashed and destroyed 25 olive trees in Qaryut village, northeast of Ramallah.
- On 19/10/2020, a group of settlers from "Alon Moreh" settlement, set up on the lands of the villages of Salem, Azmout and Deir Al-Hatab, northeast of Nablus, pumped wastewater (sewage) from inside the settlement to the citizens' lands planted with olive trees in the eastern side of the village of Deir al-Hatab, coinciding with harvesting olive, causing a great loss for farmers due to pollution resulting from this wastewater.
- On 25/10/2020, settlers continued to fence off the residents' lands one km east of the residents' tents in Khamat Makhoul, in the Jordan Valley.
- On 26/10/2020, Israeli occupation forces levelled three dunums of land in the Al-Marahat area of the city of Salfit, and uprooted about 60 olive trees, whose age ranged between three to one hundred years, planted in the aforementioned area, and seized a number of them. The stone chains surrounding the ground were also completely destroyed.
- On 26/10/2020, settlers uprooted 100 olive trees in Al Mughayir village, east of Ramallah district, whose ages range from 30 to 70 years. It should be noted that this area is located near the "Adi Ad" settlement outpost.

Attacks on Farmers, their Livestock and their Property

- On 6/10/2020, settlers chased shepherds in an attempt to expel them in Masafer Yatta in Hebron.
- On 9/10/2020, a group of settlers, who call themselves "Pay the Price" groups, attacked from "Bracha" settlement, southeast of Nablus, the eastern region, from the village of Burin. Settlers attacked Palestinian homes with stones.
- On 14/10/2020, the occupation army chased shepherds in the Sakot area in the Jordan Valley, and held them for more than an hour, while they chased the shepherds' cattle and cattle.
- On 14/10/2020, the occupation army chased shepherds in the Al-Burj and Al-Atheem area in Al-Malih in the Jordan Valley, while conducting training exercises on the site and expelled shepherds from the area.
- On 18/10/2020, settlers blocked roads before livestock breeders east of Khamat Makhoul in the Jordan Valley, blocking hundreds of dunums of land.
